### Who is the wine producer?

Wine and More is a registered wine producer and we do our own wine production. Our wines comply with all the regulations laid down by the South African Wine and Spirits Board. We pride ourselves in selling only the highest quality wines. Our wines are exclusively produced for your special personalized product.

### How long does it take to prepare an order?

Our normal delivery time is 3 weeks. This allows us enough time to design, print and courier your wine to your door. Please feel free to also contact us if you might require a quicker delivery.

### What can I put on my label?

Labels are designed according to your individual requirements. You can design your own label or make use of our free designing service. We will ensure that your label meets all the legal requirements.
